2027 CORPORATE PARTNERSHIP

CAJA of Madison County recruits, trains, and supports community volunteers who advocate for children in foster care. With the support of local businesses, we can reach more children, strengthen advocacy, and help create brighter futures.

10 Local Businesses. $5,000 Each.

A $5,000 investment helps CAJA provide the training, supervision, and resources volunteers need to be a consistent, caring presence for children in foster care throughout Madison County.

ONE POWERFUL MISSION.
